NOT BORN IN A CORPORATE BOARDROOM

OUR BRIEF STORY,

Founders, Eric, Paul, Craig & Luke are sports people. We're players, coaches, committee members, club presidents and parents.

We've done the meat raffles, we've done the 100 clubs, we've manned the canteen, we've begged for sponsors & we've asked for help and volunteers so we understand your struggle, We've been there !

Through our frustration, and many chats on the sidelines and down the pub over many a schnooner shooting the breeze, MY CLUB WINS was conceived.

We'd now love to bring this easy fundraising system to as many clubs as we can, To grow the games we love, to get as many kids as we can into the sports we're passionate for and above all else to ease the volunteer burnout so good people can do the things that really matter for amateur clubs.

THE PROBLEM WITH TRADITIONAL FUNDRAISING

| | |
|-----------------------|--|
| Volunteer Burnout | Same people doing all the work, every weekend. |
| Cash-Only Raffles | Nobody carries cash, Revenue suffers. |
| Shrinking Sponsorship | Local business budgets are tighter than ever. |
| Off-Season Dead Zones | Revenue dries up the moment the season ends. |

WE'VE FOUND THE SOLUTION

My Club Wins supplements manual fundraising with a fully automated digital raffle system
Set it up in under an hour.
Then watch the revenue roll in — even while you sleep, and even in the off season

We also front the initial \$200 Prize. You take zero financial risk.

HOW DOES THIS WORK ?

ITS AS SIMPLE AS 3 EASY STEPS

STEP 1

We Set You Up

One hour of your time, One meeting & then a signed agreement that your happy to use our platform,
We create your branded club page on the My Club Wins Website,
We package and get ready your advertising pack, Posters, social templates, snap frames.

Your page will be built in a week, **including the \$200 Jackpot** that we'll cover for draw 1*

STEP 2

You Promote Your Draw, Your Members Play

Pick what your raising funds for and we'll provide social templates that you can use every week to promote your draw with your members,
Members play via your web portal and can pay with credit card, apple pay and google pay.
They buy tickets for \$5 and if your jackpot isn't won, it'll be bigger next week.
Jackpots can grow to \$30,000 value which creates excitement and brings the dollars in.

STEP 3

You Collect Your Revenue

For every \$100 spent on your draw, \$40 will be transferred to your bank account at the start of every calender month, untouched, all yours.
\$35 of every \$100 moves to the following weeks jackpot, if its not won,
\$10 of every \$100 covers all payment fees, Apple Google etc etc
\$5 from every \$100 is held back to start your next draw once your jackpot is won.

YOUR QUESTIONS ANSWERED

Q: What's the catch?

A: There isn't one. We're so confident in our product that we will contribute the first \$200 to your jackpot to get you rolling. Plus all the legwork, paperwork and work work we take care of too. Our fee is just 10¢ per dollar — earned only when your members play. No play, no fee.

Q: How does the club get paid?

A: Your 40% is automatically deposited to your nominated bank account at the start of each calendar month. Transparent digital reporting shows you exactly where every dollar went & how much your club earned.

Q: What if nobody wins the jackpot on any given week ?

A: The jackpot simply rolls over and keeps growing — building excitement for next week. 35¢ of every ticket goes into the prize pool for the next week, Growing the jackpot and growing the excitement.

Q: How much admin time is required?

A: Under one hour for initial setup. After that, the system is 100% automated. All a club has to do is share their draw across their social media and encourage members to play. It moves fundraising from a weekly time-consuming and manual chore to passive monthly income.

Q: Are you able to fundraise on our behalf ?

A: 100%, Under current NSW Fair Trading guidelines My Club Wins can, with consent of Not for Profit Organisations or clubs raise funds on their behalf with prizes of up to \$30,000 in value, including maximum cash prizes of \$7,000.

Q: What if we want to leave?

A: 30 days' written notice — that's it. No penalties, no lock-in, no hard feelings, The page is then deleted once your current Jackpot goes off. This allows the people who've invested to see a final outcome. We're confident you won't want to, but we'd never tie a club into something that doesn't work for them.

ZERO FINANCIAL RISK TO YOUR CLUB

We front the \$200 jackpot. We handle the admin. You invest one hour of setup time to set up. You share your draw on your social media, advertise it at your canteen & encourage your members to play. And we'll bet our own \$200 you won't look back.
